We would like to suggest an additional arrangement where you and your group can enjoy your plan as a private party.

You can reserve your time as a private party where you receive the full attention of our staff and avoid any distractions from other guests. Your private booking allows you to enjoy your chosen plan in the entire house and interact with our staff as you please. You can make your private booking for the length of time that you desire at a rate of ¥10,800/hr per group. We hope you will consider this, please.

***December 28-January 5 As New Year's rate, 30% of the amount used will be added**
